

# Dish Out the Love to a Fellow New Yorker.

Did you know, millions of New Yorkers, including 1 in 5 children, don't always know where their next meal is coming from? You can help!

**Just \$1 helps City Harvest to feed two New Yorkers in need.**

Donate to our Virtual Food Drive to help support City Harvest's work rescuing and delivering fresh, nutritious food to help feed New Yorkers who are struggling to put meals on the table.
